Recommendation of Lord Consul

Augustus Grimm

"I hereby confirm that the bearer of this letter is of stout heart and body and of brilliant combat abilities. He/she would be an excellent addition to any guardian force and has a large potential for leadership. Signed, Lord Consul Augustus Grimm."

This certificate can be used to enter the Diamond Legion using only 30 TUs instead of 60. If the PC is already in the Diamond Legion, then it can be used to cut in half any time requirement for moving into an elite unit. It may instead be used to help assist with admission into the family guard units of the following Noble Families: Grimm, Harquith, Kailin, Mour and Reilly. However, showing this letter to members of the following Noble families: Bailey, Erikas, Sahdein and Terziine will automatically change the family's reaction to the character to Hostile and they will never be allowed to join their family guards.
