Dagger +1

This well-crafted dagger belonged to Bledsoe the Sage, who appears to have no further use for it. It has a fine steel blade and a wire-wrapped golden filigreed handle. A small ruby is set in the pommel, though removing it would probably ruin the dagger's enchantments.

Charm of Seeing

These items are highly valued by sages and diviners. They are tiny charms, usually silver, that can be attached to chains or even carried in the pocket. While on the possessor's person, they increase the duration of any Divination spell (arcane or divine) cast by them. Other methods or effects that lengthen spell duration (such as the Extend Spell feat) use the greater of any possible duration; the effects are not cumulative. There are two varieties of charms. (Check off the type of charm found in this adventure)

ATL 1 *Minor Charm of Seeing*: The duration of all Divination spells cast by the possessor are increased by 50%. This does not affect spells whose duration is *instantaneous*. (1,000 GP, Caster Level 5th)

ATL 3+ *Lesser Charm of Seeing*: The duration of all Divination spells cast by the possessor are increased by 100%. This does not affect spells whose duration is *instantaneous*. (3,000 GP, Caster Level 7th)
