This is to certify that the character known as

earned the following in the adventure  
*What Evil Lurks*

*You Drive A Hard Bargain*

You owe a debt to Aron, for helping you gain access to the Royal Archive when you could not find another sponsor. He doesn't want much in return, just a Relic from the Mystic Tower. If you are in possession of such an item (you know who you are), you must surrender it to him (and the LSJ Campaign Staff). Aron isn't unreasonable, and while you won't have your relic, you will receive an additional favor in return. If you don't have a relic, he will think of another way for you to return the favor in the future.
