Legends of the Shining Jewel

This is to certify that the character known as

earned the following in the adventure
SOMEONE TO WATCH OVER ME

Masterwork Barbed Vest

(body)

This unusual black vest is covered in hundreds of tiny hook-like needles. Any creature that injures you with a natural or unarmed attack must make a DC 20 Reflex save or take 1d3+1 points of damage. If a creature swallows you it takes 1d3 points of damage each round until it either spits you up, you escape or you die. The vest can only be worn over light armor or no armor. The vest itself provides no armor bonus. The vest *may* be enchanted as a resistance item (as per a *cloak of resistance*) or a protective item (as per a *ring of protection*) at an approved Mystical Marketplace.

These supple leather gloves grant the wearer a +4 bonus to his CMD against unarmed attacks, attempts to sunder his wielded weapons, and effects that cause him to lose his grip on his weapons (such as grease). The wearer doesn't drop held weapons when panicked or stunned. If the wearer has the weapon training class feature and is using an appropriate weapon, his weapon training bonus increases by +2.

SOMEONE TO WATCH OVER ME

Armor of Insults

(armor)

Each metal bit of this +1 studded leather looks more like a tiny sneering face than a simple stud. Once per day the wearer of the armor may command the mouths to unleash a torrent of verbal abuse directed against every hostile creature within 60 feet who can see and hear the wearer. Each such creature must make a DC 16 Will saving throw to avoid suffering an overwhelming compulsion to attack the wearer for the next 7 rounds. If the creature is unable to attack the wearer on its next turn, or attacking the wearer would put the creature at risk (moving through a threatened square, charging into a pit, and so on) it can attack normally that turn. This is a mind-affecting sonic attack, and has no effect on creatures that do not use a spoken language.

Anytime the wearer suffers a bleed effect, the scabbard automatically stanches it. It has no effect on bleed damage from effects that require a DC 16 or higher caster level or Heal check.
