### *Cursed Sapphire Ring of Stat Boost*

This ring has a thick gold band with a small star sapphire embedded in it. The sapphire pulses with a nefarious glow when worn, and emits a moderate aura of evil (see *detect evil* spell). The sapphire slowly funnels pieces of the wearer's soul away until the wearer is not much more than a husk. When worn the band grants a +2 bonus to one ability score chosen when it is first put on and bestows one negative level. For every day past the first the wearer must make a Will save DC 22 or else the ring bestows an additional negative level. These negative levels cannot be healed until the ring is removed by a *remove curse* (CL 10) spell or similar effect.
