Ariela's Protector

By convincing Ariela to let you take her daughter back to Amthydor and taking her daughter's place, you have agreed to become her protector. In doing so, you must spend 180 TUs for one year to serve as her protector. If you do not have enough TUs left to be her protector, you may borrow TUs from next year. This is a one-time TU payment.

Since you are Ariela's protector, and she does not want any harm to come to you, Ariela agreed to loan you her leaf necklace during your service, which has caused your skin to become greenish in tint, thereby giving you a +2 natural armor bonus to AC.

In addition, spending so much time in the company of this beautiful and charismatic nymph has increased your self-confidence. Whenever you are in Ariela's company, you gain a +4 morale bonus to Charisma checks. Even when Ariela isn't around, spending time alone with the nymph has increased your self-confidence and you gain a +2 morale bonus to Charisma checks.
