Circlet of the Mage

(head)

This mithral circlet has three gems on it, red, blue and green, set in rotating housing that allows them to spin around a central point. There is a small latch that keeps it from spinning unless it is released. The gem in the topmost position grants an unnamed temporary bonus to one mental stat. The red gem grants +1 charisma, the blue gem +1 intelligence, and the green one +1 wisdom. Only one gem may be active at any given time and it is a standard action to change the active gem.

The bonus gained applies to skills that use that ability and spell DC, but you cannot gain bonus spells, skill points or uses of abilities that are determined by this score.

This is piece one of three of The Brothers Raiment, when two pieces are worn, the bonus applies to two stats and when all three are worn the bonus becomes a permanent +2 bonus to all three stats.
