Cyrene's Pouch of Endless Shells

This pouch holds ten seashells. No matter how many times you empty the pouch, it is full the next day. Only shells can be put into the pouch (nothing else seems to fit). These shells are pretty, though totally worthless...at least, they seem to be for now.

Raian Sea Elf Character

*As you and your fellow sea elves clear the battle sight, something catches your eye. You lift the item up and examine it. "These surface dwellers are an interesting breed. I think I shall spend some time among them."*

For losing a PC to the Merrow, the player can play a sea elf (as per the LSJ Player's Guide) and begin play with one item from their previous character. The item must be one that the PC had at the time and one that would survive being submerged in saltwater (i.e. no spell books and scrolls, but armor and weapons, etc). No favors, boons, or otherwise un-tradable effects are permitted.
