As a result, Maygariette Tezriine has soured her house's reactions and of Tezriine's allies against you should you have need of them in the future. Thankfully, a noble's attention span is limited as other things tend to pop up to distress them. So they (and their allies) will refuse to help a total of five times. Have the GM initial the box(es) below. Should the PC have a gratitude cert from one of the listed House, he/she can use each as one of the requirements and VOID the gratitude cert.
