Dealbreaker

The above-named PC has reneged on a deal with an accomplished thief with many contacts in the Amthydor underworld. Bad move! In every subsequent adventure, a fellow thief will attempt to steal something from the PC valued at 200 gp/current PC character level. These attempts will continue something is successfully stolen at which point they stop.

The rogue will have a Sleight of Hand bonus equal to the PC's character level + 8 (thus a 5th level PC will get an attempt from a rogue with a +13 bonus to the roll). These attempts occur even if Jyn did not survive, as she arranged a "Dead Man's Deal."

GMs must be notified of this cert at the start of every adventure until the theft is complete, at which point it is void.
