# Legends of the Shining Jewel

earned the following in the adventure  
**SOUR GRAPES**

*Cognizance Crystal, Minor*

You received this crystal from a grateful Julian Halerpin. He had no idea what it was, but perhaps you do.

This item consists of a core crystal and two or three smaller crystals arranged in specific positions around it on strands of silver wire. The crystals give off a faint glow. This cognizance crystal weighs approximately 1 pound, has AC 7, 10 hit points, a hardness of 8, and a break DC of 16.

The user must merely hold or have a crystal on her person for a period of at least 10 minutes (which is long enough to attune oneself to the crystal). Thereafter, the owner can use power points stored in the crystal to manifest powers she knows. This crystal contains 3 PP.

A user cannot directly replenish her personal power points from those stored in a cognizance crystal, nor can she draw power points from more than one source to manifest a power. See "Using Stored Power Points" in the Expanded Psionics Handbook for more information.
