Favor of Lt. Argyn Zix

As a reward for finding out the Pyrrothians' plans, Lt. Argyn Zix has arranged for you to have continuous training from the Diamond Legion in how to deal with Outsiders.

PCs receiving this reward will receive a +1 competence bonus to all attack (both to hit and damage) rolls involving Outsiders at the cost of 1 additional TU per scenario played. This represents the additional time needed to keep this knowledge up to date.

In addition, you gain the Skill Focus (Knowledge (planes)) feat for as long as this training is current. If the PC stops paying the extra TU per scenario cost, the above benefits of this favor are lost and can not be regained.

This favor can be used to help fulfill the requirements for joining the Special Services Division of the Diamond Legion. This use of the favor in this manner does not void the training benefits as long as the PC keeps current with TUs.
