Gratitude Of The Quorum Of Faith

In appreciation for your efforts the Quorum has arranged for you to receive the sum of 500 gold pieces per experience level towards the purchase or creation of a magic item.

In addition, the Quorum has arranged for you to have a spell of first through sixth level cast free of charge at one of the city's temples or shrines once per adventure. The level of the spell is determined by your experience level (The caster level is the minimum level required to cast that spell). You may depending on need in a module have a spell of a lower level cast, but that takes up your free spell for the module. The box corresponding to your character level at the time you played the module must be checked off or the certificate is void.
