Sanctuary Token

This wooden token is marked on one side by the emblem of the Sanctuary – a rose over two crossed short swords. On the reverse side are three deep scratches, resembling claw marks. The token may be used three times in place of the password, to gain admission to the Sanctuary.

Alternately, the token may be used to call in a favor from Jordan, granting a +10 bonus to a *Diplomacy* skill check made to gather information. This use of the token requires two hours – One hour getting word to Jordan, and another hour for him to reply.

Each time the token is used for either purpose, one of the scratches magically fades. When all three are gone, the PC will have a nice souvenir of the Sanctuary, suitable for framing or display.

If you believe that you know the password contact LSJSanctuary@gmail.com.
