Weapon Boon

In gratitude for the PCs' efforts on behalf of House Arawl and Lady Cardinal Arawl, the PC may bring an existing magic weapon (melee or ranged) with a current enhancement of +1 or greater to Lady Consul Ellyn Reilly and she will enhance it with a single special ability of the PC's choice. She will not simply increase the base '+' of the weapon, nor will she enchant any other item in the weapon's place. The '+' value of the ability that she will apply is determined by the PC's level. The total '+' value of the weapon's combined enhancements may not exceed +10. She will not apply multiple abilities, and the PC may not pay additional gp to apply a higher value enhancement than the one actually earned in this event. If the PC selects an enhancement with a lower gp value than the one earned, they do **not** receive the gp difference.
