*Ring of Counterspells*  
*(ring)*

This ring might seem to be a ring of spell storing upon first examination. However, while it allows a single spell of 1<sup>st</sup> through 6<sup>th</sup> level to be cast into it, that spell cannot be cast out of the ring again. Instead, should that spell ever be cast upon the wearer, the spell is immediately countered, as a counterspell action, requiring no action (or even knowledge) on the wearer's part. Once so used, the spell cast within the ring is gone. A new spell (or the same one as before) may be placed into it again.

*Crowd Control Weapon*

This non-exotic melee weapon or ammunition has been specially crafted to be non-lethal. This weapon does only non-lethal damage and does not carry the usual -4 attack penalty, but it has several limitations. It deals damage as if it were 1 size category smaller, and Strength bonuses to damage are limited to ½ value. Critical threats are unaffected, but on any roll of a natural 1 there is a 10% chance that a melee weapon is ruined. All feats and abilities apply as normal. Ammunition so crafted is subject to the same limitations, regardless of the weapon it is fired from. These weapons cannot be of masterwork quality. Write in the chosen weapon or ammunition (including amount) below. The cost and value is the same as a normal weapon of the same kind.
